

Alumni Association Board

According to the written constitution of the Alumni Association, the purpose of the Board is to:

- Provide national and international opportunities for alumni engagement
- Create community awareness of WRA values and tradition of academic excellence
- Serve as ambassadors of the school, promoting the value of the WRA experience
- Educate current students on the importance of networking, and post-graduation opportunities.
- Enhance opportunities for participation in activities and fundraising that will support the future success of the school

WRA's Alumni Association is a vast and diverse group, stretching around the world. More than 5,000 members of the Alumni Association are a remarkable group of men and women.

Being a member of the Alumni Association means that you are entitled to a number of benefits, including:

- Automatic subscription to the WRA Magazine
- Access to Alumnifire, our online networking platform
- Invitations to special events both on and off campus
- Eligibility for membership in a number of recognition societies
- The ability to submit class notes
